Paris, Washington DC, 23.10.2023, 13:49 Time

**USPA NEWS** - The leaders of United States of America, the United Kingdom, Canada, France, Germany and Italy led by Joe Biden, Rishi Sunak, Justin Trudeau, Emmanuel Macron, Olaf Scholz and Georgia Meloni, have spoken throughout the night of 22h October 2023, following their call. "President Macron of France, Chancellor Scholz of Germany, Prime Minister Meloni of Italy, Prime Minister Sunak of the United Kingdom, and President Biden of the United States — express our steadfast and united support to the State of Israel, and our unequivocal condemnation of Hamas and its appalling acts of terrorism.

We make clear that the terrorist actions of Hamas have no justification, no legitimacy, and must be universally condemned. There is never any justification for terrorism. In recent days, the world has watched in horror as Hamas terrorists massacred families in their homes, slaughtered over 200 young people enjoying a music festival, and kidnapped elderly women, children, and entire families, who are now being held as hostages."
